The Kalanianaole League is detera flourish. It is planned to have Governor Frear pitch the first ball and to have Prince Cupid decide whether His Excellency's delivery is up to the standard or not. The first game will probably draw a big crowd and, as a fine brand of ball is promised, there is every reason to believe that the Sunday afternoons at Aala Park will prove very popular.

The Riverside Junior League is coping that some kind-hearted philanthropist will comeforward and do nate a cup as a trophy to be played for. The boys are putting up a good brand of baseball, but their exchequer is not large enough to stand the Nevertheless they feel that there should be something provided to lend zest to the struggle for first place.
